Pastor Rob will introduce the purpose and goal of the Lenten Study we will be embarking on in February.

This Transition Ministry offers five focus points that will allow us to effectively navigate the interim period so that our congregation will emerge stronger and better able to share, with ourselves and our community, God's love. These five focus points will help us to answer the questions: *Who are we? Who are our neighbors?* and *What is God calling us to do?* There are six Sunday sessions with the first being February 10 and the second on February 24. All church members and friends are encouraged to attend.

Please plan to join us for this important work.

Mission Opportunity

On the last Friday of each month, the Shelburne Falls Food Network provides the Community Meal at Trinity Church. They will always welcome a casserole or any side dish to serve that night. The Food Network began in 2014 as a way to provide this weekly meal from people throughout the community, rather than a specific church or group.
